

Identification Solutions Hardware/Software North American Sales Promotion

From now until September 30, 2010, we want to make it easier for you to discover the Tyco Electronics advantages our Identification solutions can offer your business. If you are a new TE Identification customer or existing customer with a new identification product application, you may qualify for FREE software and/or hardware with a qualifying purchase¹. This promotion applies to qualifying purchases of Heat Shrink Sleeves, Cable Markers, ID Labels, and custom or pre-printed Identification products. To experience the TE advantage, contact your Tyco Electronics Identification Solutions supplier today and submit the completed promotion authorization form with your qualifying order.

¹PLEASE SEE THE DETAILS OF THE PROMOTION CONTAINED IN THIS FLYER INCLUDING TERMS AND CONDITIONS, OR CONTACT YOUR TYCO ELECTRONICS IDENTIFICATION SOLUTIONS SUPPLIER TO SEE IF YOU QUALIFY.

Eligibility

To be eligible for the Identification Solutions Hardware/Software North American Sales Promotion, the official promotion request form must be completed and submitted to TE Customer Service at the time of order placement. Forms are available at <http://identification.tycoelectronics.com/promo>. Promotional items will be processed as a separate Tyco Electronics sales order. If you have questions about this promotion, please contact your Tyco Electronics Identification Solutions supplier.

 **Tyco Electronics**
Our commitment. Your advantage.

Terms and Conditions : The Identification Solutions Hardware / Software Sales Promotion runs from January 1, 2010 to September 30, 2010. It is available to new customers of Tyco Electronics Identification products or to existing customers with new applications through direct and indirect channels in North America only. This promotion applies to incremental business. The promotional items can not be returned for credit or substituted for other Tyco Electronics product. This promotion is not to be combined with any special price requests. The minimum qualifying order value is to Tyco Electronics based on standard in column pricing for identification products. Distributors cannot ship out of existing stock to qualify for this promotion. Non-identification products are not to be considered as part of the minimum qualifying order value. Promotion items must be requested at the time of order placement. Service agreements are not included in the promotion and are a separate contract. All software versions part of this promotion are dongle versions. Not valid where prohibited or restricted by law. Tyco Electronics reserves the right to change or alter the details of this promotion at any time in its sole discretion without prior notice or liability.
